## Fundraising in the Community

We are committed at River City Car Wash to give back to the community while striving to be environmentally responsible. Generate substantial revenue for your favorite charity or non-profit organization by utilizing our program while protecting the environment.

### Non Profit Fund Raising Program:

**Who Qualifies:** Schools • PTA's • Community Organizations • Churches  
Local Service Clubs • Athletic Teams • Non-Profit Organizations

#### How it works:

River City Car Wash supplies your organization with a minimum of 250 customized tickets with your organization's name and a 4 digit number. Your organization distributes these tickets to potential customers. The customer comes to the wash and enters the four digit number into our auto cashiers. A page will be displayed on the screen with your organization's name on it and thanking the customer for their donation in following increments:

- Basic Wash \$5 a \$2 donation will be made.
- Deluxe Wash \$8 a \$3 donation will be made.
- Ultimate Wash \$10 a \$4 donation will be made.
- Full Service or Detail Service a \$5 donation will be made.

After a 30 day sales period the computer tabulates the amount generated for your organization and we cut you a check. It's that easy, no dealing with the hazards and hassles of having your own parking lot car wash. The best part is that you not only generate funds for your organization but you are also helping the environment by ensuring that your charity washes are being washed at a professional car wash which recycles or treat 100% of it's water prior to reentering our sensitive river system.

### Corporate Fundraising Program

**Who Qualifies:** Any company, business or organization with over 100 employees

#### How it works:

Same as the above mentioned program with the exception that the company, business or organization gets to choose the charity they would like to support. Your company raise's needed funds for a charity and your employees get a clean car.

Organization: \_\_\_\_\_ Contact: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ Zip: \_\_\_\_\_

Phone Number: \_\_\_\_\_ Fax Number: \_\_\_\_\_

E-Mail: \_\_\_\_\_

Federal Identification Number: \_\_\_\_\_
